VIGNESH SIVAGNANAM

Front-end Developer

As a front-end developer with 2.8+ years of experience, I have a strong foundation in HTML, CSS, JavaScript, and React JS. I am passionate about creating responsive and user-friendly web applications that meet the needs of clients and end-users.

WORK EXPERIENCE

Syncfusion Software Pvt Ltd, Chennai — *Software Development Engineer*

Jan 2019 – Sept 2021

As a Support Engineer, I have extensive experience working with custom controls like Grid view and Pager component, commonly used for developing web, mobile, and desktop applications. Throughout my career, I have provided technical support to clients who utilize these controls, troubleshoot technical issues, and provide efficient solutions.

Vajro India Pvt Ltd, Chennai — *Front-end Web Developer*

July 2022 – June 2023

As a web developer, I have gained extensive experience in building responsive and user-friendly web applications using HTML, CSS, JavaScript, ReactJS, and NextJS. I have a strong foundation in these technologies and am constantly up-to-date with the latest web development trends and techniques.
